MOOD: 😊 some assembly required

MUSIC: ...her nails are deep in your hair.

Siouxsie and the Banshees - Voodoo Dolly - L...

How sick is it that I think she's unbelievably hot?

Because that concert happened *before I was born*.

Pervert.

(What's the difference between a zombie baby and a bowling ball?)

An obstetrician being eaten by a zombie baby.

Gah!

Those are latex gloves, though. The rubber ones are worn by the suburbanite trying to fix a jammed garbage disposal without unplugging it.

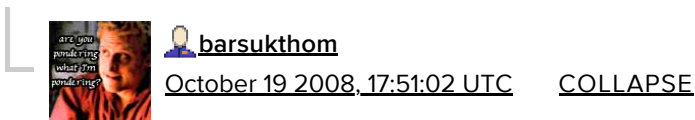

Of course. Fucking precision in all things. Fucker.

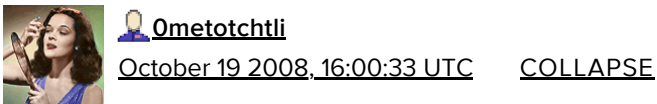

I'd roll my eyes at you, but you'd just roll them back.

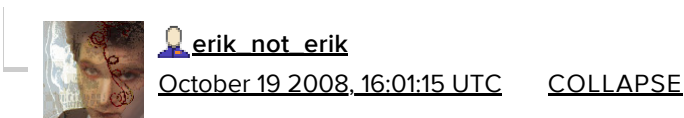

And I haven't vacuuumed yet. Eeeuw.

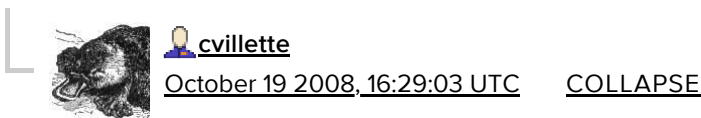

Save for those allergic to latex, who wear the non-powdered aniline gloves.

So the goth girl habit was with you from birth, is that what you're saying?

Notice what she's got tied around her waist?

shup!
